Lynchburg Public Library
Downloading eBooks to Your Android Tablet or Smartphone
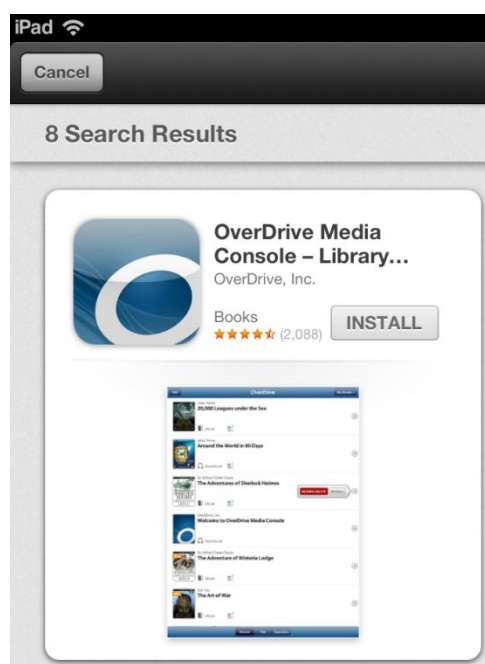

Before you begin
You will need:
Your Android Tablet or Smartphone with a wireless or 3G connection
A valid Lynchburg Public Library card

Installing and authorizing the OverDrive App
1. Before browsing our eBook collection, you'll need to download the OverDrive Media Console app from the Android Marketplace. The app is **free** and will allow you to checkout, download and read eBooks on your device. Once the OverDrive Media console app is downloaded to your device, touch the icon to open it.

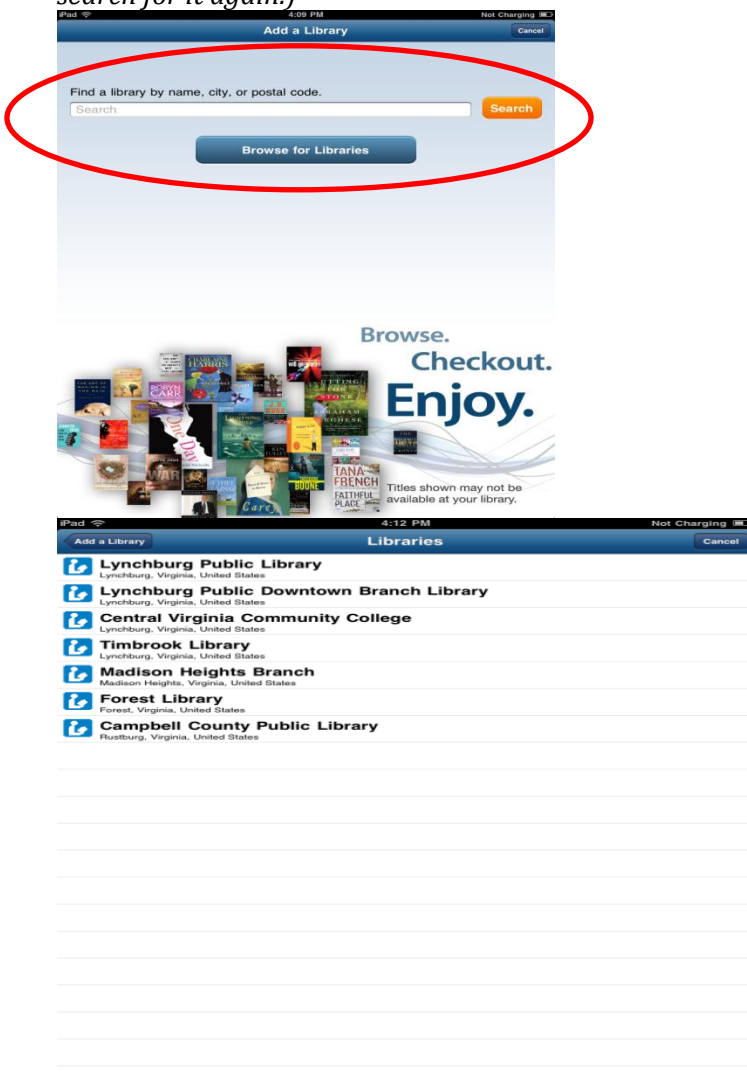

2. This will bring you to the app's main page. To begin, select **Menu on your device** and then the **App Settings** icon located on the upper right side of the page.
3. Under **App Settings**, you'll need to authorize the app with an **Adobe ID**. To do this, select **Authorize.** If you don't have an Adobe ID, select **Get a free Adobe ID.** If you are signing up for an Adobe ID, you will be directed to the Adobe site and asked to fill out a form. Complete the form and agree to the terms of service.
4. Once you have completed the Adobe ID authorization, select **Menu on your device** and then **Get Books.**
